The information, audio tracks, and related content provided through the **Elevate App** and by **Elevate Audioworks LLC** (“we,” “us,” or “our”) are offered for **wellness, relaxation, focus, entertainment, and educational purposes only.**

- **Not Medical Advice:**

The Elevate App is **not intended to diagnose, treat, cure, or prevent any medical or psychological condition.** Our content, including binaural beats, isochronic tones, Solfeggio frequencies, guided meditations, and all related features, should not be considered medical advice or a substitute for professional healthcare.

Always seek the advice of a qualified physician or healthcare provider regarding any medical condition, treatment, or before starting a new wellness practice.

- **Individual Results May Vary:**

The effects of binaural audio and related practices differ from person to person. We make no guarantees as to the specific benefits or outcomes you may experience.

- **Safety Precautions:**

- Do not listen to audio tracks while driving, operating heavy machinery, or performing activities that require full attention.
- If you have a history of seizures, epilepsy, psychiatric conditions, or are pregnant, consult a medical professional before using the app.
- Use headphones responsibly and at safe volume levels to prevent hearing damage.

- **Limitation of Responsibility:**

By using the Elevate App, you acknowledge that you do so voluntarily and at your own risk. **Elevate Audioworks LLC shall not be held liable** for any adverse effects, injuries, or issues arising from the use or misuse of the app or its content.

- **No Data Sales:**

We respect your privacy and will **never sell your personal data.** For more details, please see our Privacy Policy.
